ST. CROIX, U.S. VIRGIN ISLANDS (AUGUST 1, 2022) – Project Promise, a nonprofit organization dedicated to improving the lives of at-risk youths in St. Croix, will soon be moving into its newly-rehabilitated building in downtown Christiansted. In preparation for the anticipated September move-in date, the organization is asking supporters to participate in a virtual Housewarming Shower.

“The renovation of our building is nearly complete!” exclaims Project Promise Executive Director and Founder Resa O'Reilly. “This Housewarming Shower is an opportunity for the community to help us turn our house into a home by purchasing the items needed to outfit the space.”

Those who wish to participate in the Housewarming Shower can purchase new items via Project Promise's Amazon.com registry. The registry can be found at <https://www.amazon.com/registries/custom/N2NCG680YTZM/guest-view>. Requested items include everything from furniture, area rugs and dishes to office supplies, lamps and even laundry detergent for the building's laundry center.

The virtual Housewarming Shower will take place throughout the month of August. Once the group has moved into the building, all donors and gift givers will be invited to an in-person Housewarming Party.

The exciting thing about Project Promise's building is that it will serve a number of purposes. First, it will be a home for the organization's programming, including an intensive, holistic multi-year after-school program as well as new Saturday classes for area youth. In addition, the building will also serve as a much-needed community center with classrooms, a computer lab, full kitchen, laundry center, multipurpose room, office space and more.

ABOUT PROJECT PROMISE

Project Promise is a 501(c)(3) non-profit organization dedicated to improving the lives of at-risk youth on St. Croix by providing empowerment initiatives, cultural programs and family services. To learn more about Project Promise, please visit their website at www.projectpromisevi.com.
